President's Report

Committee Reports

Transportation: Jack Wells reported DDOT wants to organize an “Open Streets” Event in September. Open Streets is a global initiative that offers communities the opportunity to experience their city streets in a whole new way. Open Streets events temporarily close roadways to vehicles to provide safe spaces for walking, biking, skating, and other social activities. Open Streets encourages business participation for those located on the route, provides a multitude of health and sustainability benefits by encouraging exercise and alternate modes of transportation, and creates opportunities for community-building. They are proposing closing MacArthur from Chain Bridge Rd to Arizona. Jack will keep us updated on the progress of this event.

TCC: Lisa DeBow reported that there were delays due to utility permits and controversy on where the final fence will be until the end of the year. However, work should start any day now. 48th Place will be closed to parking. Monthly updates will be provided by Gilbane and will be posted on the PCA website.

July 4th: Jessica Davis encouraged everyone to start thinking about participating in the parade. The committee will need volunteer to do a variety of duties. She reminded everyone that the PCA plans and pays for it (through fundraising), not the city. A picnic chair is still needed. July

3rd's hoedown will feature a pie eating contest, Bob Perilla's Bluegrass band and free ice cream. The hoedown is 6pm-8pm. Shirts are on sale at the market on Sundays.

Events: Maria Garcia announced that we will be having a concert at Hardy at the end of July. Stay tuned for details. Paltoberfest will be September 18. We are looking for a German band.
